PREVENTATIVE MAINTENANCE

Keep your doors in good working condition and prevent down time with preventative maintenance. Just like a little TLC to your vehicle, your doors need the same attention to keep working properly and prevent costly repairs. Whether you have automatic, manual, or hollow metal doors, we have a maintenance plan to fit your budget.

EMERGENCY SERVICE 24 HOUR-7 DAYS A WEEK

Friday evening and you are ready to leave town. Phone rings; office doors won't lock and building is unsecured. It's Saturday and you're expecting a busy day; entrance Doors now have a mind of their own. Relax .. you registered with Tee Jay North. No juggling for phone numbers, no price gathering, no time lost. Press speed dial and you are done!

Absolutely no upfront costs, no monthly payments for unused service. One call to register and one call when you need us. That's it! You pay only when you need service.

To ensure your doors are working as safe as possible, all of our service personnel, service manager, and sales staff are AAADM certified inspectors trained on the current ANSI requirements for full power and ADA door operators.
